# TALKINGTON ANGUS RANCH

## Dear Fellow Cattlemen

We would like to invite you to take a look at this preview for our February 9, 2018 bull sale offering. We would also like to extend an invitation to stop by and evaluate the bulls, their heifer mates, and the cow herd. The bulls will be fully guaranteed as always and are developed to last, no creep feed and fed for a modest gain in an environment where they get plenty of exercise.

We feel that we are providing a strong set of bulls that possess some different pedigree options for not only our past customers, but strong outcross options to many of the popular bloodlines available in the Angus breed today.

Follow our new Talkington Angus Ranch Facebook page to receive updates as to when pictures, videos, and sale catalogues are available. All information will also be posted to our website, talkingtonangusranch.com, as it becomes available.

Merry Christmas and Happy New Year,

Shane, Amanda, Abby, Hadley, and Cade Talkington
