*Welcome* to the Badlands Angus Alliance Bull & Bred Female Sale.

This is not only a partnership between Best Angus, Strommen Ranch, and Talkington Angus Ranch, it is also a partnership with all of our current and future customers. With our combined resources and marketing assistance from our partners at Stockmen's Livestock Exchange in Dickinson, N.D., we are committed to helping our customers add value to their females and continuing the Badlands Angus Alliance sale as THE PREMIER SOURCE for bred females in western North Dakota.

This sale features nearly 500 elite, source and genetic-verified bred females from our respective programs and from our commercial customers. We are proud of the exceptional herds our customers are building and we are excited to help them market their top females through this sale. They are influenced by and bred to Best, Strommen or Talkington seedstock.

These bred females are the type and kind you can use to build a profitable, sustainable herd for generations. They are bred to be easy-fleshing cattle that are productive on minimal inputs, with enough emotional intelligence to be handled with minimal labor, and enough survival instinct to get out and forage, nurture their calves and bring in pounds at weaning.

Many of them are AI-bred to proven, calving-ease sires with a tight calving window, and have been ultrasounded for calving dates. This year's consignments offer a variety of calving start dates, including March, April and May. They are all source and genetic-verified and bred to known calving-ease genetics. A full ranch and production history on each consignment is included in the heifer listings.

The coming-2-year-old ANGUS bulls are thick, stout, rugged, fully guaranteed and will be ready for service in big country. They were retained specifically for this sale. We are excited to offer these bulls as it gives us a chance to see our genetics as they age and develop. These bulls have been slowly developed with soundness and longevity in mind, with an optimum gain, not an excessive gain. Our ultimate goal is to have the bulls range-ready, sound-footed and ready to go to work for you!

*Talkingtons • Bests • Strommens*

JAMES ERICKSON.....(701) 290-4861

**SALE ORDER** - Bulls will sell first then females will follow.

**VIDEOS** - Videos of the bulls and bred females will be available on [www.DVAuction.com](http://www.DVAuction.com)

**TERMS AND CONDITIONS** - Bulls sell under the standard terms and conditions of the American Angus Association. Terms of the sale are cash. Full payment is due on sale day. For purchases made through DVAuction, please remit payment directly to Stockmen's West, PO Box 1348, Dickinson, ND 58602.

**BASE PRICE** - All bulls will have a minimum price of \$3,000 sale day. Bidding will begin at the base price.

**BULL DEVELOPMENT** - These bulls have been handled correctly and developed without ANY creep. They have been fed just enough to express genetic differences, but not overfed as to compromise soundness or longevity. We want you to have a bull that will do his job and last for years.

**EPDS** - EPDs are current as of Nov. 1, 2022.

**SALE TIME** - The sale starts at 12 p.m. MST.

**BULL DELIVERY** - We will offer free delivery on the bulls within 500 miles of Dickinson, N.D. Deliveries will begin immediately following the sale.

**FEMALE DELIVERY** - We will not deliver the females, but can assist in lining up trucking. Please contact us or Stockmen's West to make arrangements.

**HEALTH** - All bulls have been on a complete health program as prescribed by our respective veterinarians.

**FERTILITY** - All bulls have passed a fertility exam performed by Dr. Gary Scheiber for the Best Angus bulls, Dr. Pat Bierman for the Strommen bulls and Dr. Chance Noyce for the Talkington bulls.

**SIGHT UNSEEN PURCHASES** - If you, for some reason, are unable to attend the sale, but wish to place a bid, feel free to call us and we will handle your bid as if you were here. If you wish to be on the phone during the sale, we will try to accommodate your request. Please let us know in advance so arrangements can be made. All sight unseen bull purchases are fully guaranteed.

**GUARANTEE** - The bulls are fully guaranteed for one breeding season. We understand that these are animals and that injuries do occur, but we have the utmost confidence that we have developed these bulls in the best way to protect your investment. If an injury or death occurs, the ranch of origin will guarantee them for the purchase price minus salvage value (\$1,500).

**LIABILITY** - Anyone attending this sale does so at their own risk. Neither the owners nor anyone connected to this sale, assumes any liability, legal or otherwise.

**WATCH & BID ONLINE** - Videos of the bulls and heifers are available at [www.dvauction.com](http://www.dvauction.com). Bid online via DVAuction, too! **DVAuction**

[www.TalkingtonAngusRanch.com](http://www.TalkingtonAngusRanch.com)

*Cattlemen & Friends* - Welcome to the 2022 Badlands Angus Alliance Bull and Bred Female Sale. We are honored to continue this event with our friends and partners, Bests and Strommens, and all the well-respected cattlemen who consign high-quality source and genetic verified cattle to this sale. It has been our goal since the inception of this sale, to make it the premier source for maternally bred, commercial Angus females in western North Dakota.

Talkington Angus Ranch is located on the edge of the Badlands between Belfield and Medora; we are the fourth generation and our children the fifth in the 116-year history of our family operation in this location. Our cow herd is run in rugged terrain on a year-round forage-based diet. The cattle must be easy fleshing, fertile, and structurally sound with good udders and good dispositions. Our registered herd is managed exactly like our commercial herd and very similarly to our customers' herds. This leads us to approach our breeding program with a balanced trait, maternal philosophy. As it becomes more common for some to select for extremes in growth and carcass traits, we believe our years of data and real-life experience suggest that is not optimal for our environment. We feel the unquestioned, number one factor for profitability in a cow herd is fertility. We feel intense selection pressure is the best way to make progress, that is why we practice a 45-day breeding season here, no excuses, no second chances. Maternal has been defined in a variety of ways, but to us it is best summed up as problem-free, moderate, sound, and efficient cattle. This in turn, equates to longevity.

The 9 coming two-year-old bulls that we are bringing to the Badlands Angus Alliance sale have been developed specifically for this sale since weaning. They are extremely docile have been grown with longevity and fertility in mind. They were backgrounded at a rate of 2.5 lb/day gain last winter and ran on pasture from June 1st until October 15th. The bulls are all parent verified. Please feel free to contact us with any questions or requests for additional information or data. We also offer an invitation to stop by and evaluate the bulls before the sale at your convenience.

Here are 4 flush brothers who possess an outcross pedigree to most of today's Angus cattle. Their Pathfinder dam owns a progeny WR of 6/106 and a progeny YR of 5/106. She is the granddam of the ST Genetics roster member Ox Bow Ozzie. The sire of these bulls, Brooking Prosecutor, has been a tremendous female maker for us, leaving behind easy fleshing, high volume daughters. We have 15 Prosecutor daughters in our herd that combine for a progeny WR of 47/104. 50% of his eligible daughters have achieved Pathfinder status in our herd. The Prosecutor females continue to raise standouts including SAT Wolverine, our high-selling bull in 2020 to Select Sires, where he has become one of their high-volume selling bulls and our high-selling bull in 2022 to Rollin Rock Angus in Oregon.

*Cattlemen & Friends* - We are so grateful to be a part of this Alliance that is turning into the premier commercial female sale in North Dakota. Stommens and Talkingtons are great partners with very similar philosophies to our own. I am extremely proud of the heifers that the consignors brought to Dickinson the last few years. More importantly, the feed-back from the buyers has been excellent. I expect nothing less from this year's offering, as well. We are making progress toward our goal of helping our customers realize the value they deserve for raising superior Angus females.

We ranch in the North Dakota badlands southeast of Watford City in some of the most rugged terrain in the region. We are committed to producing cattle that thrive under harsh conditions. Ranching is full of challenges, which is why we believe it is better for us to design cattle that will be profitable working in harmony with nature instead of a constant struggle against mother nature. Cattle designed to be profitable require less labor inputs since they can maintain their body condition and breed back on poor-quality stockpiled forage. They are able to do this since they are deep-ribbed, wide-made and possess genetic fertility. They have sound udders, feet and legs allowing them to forage and care for their calves without extra assistance from management. Disposition and intelligence are extremely important traits for reducing labor requirements as well. We can't forget the most important profitability trait of them all, fertility. Just to make things a little harder, we need to make sure these cattle will be profitable to all segments of the beef industry. They need to gain, have excellent feed efficiency and strong carcass traits. Talk about a challenge, but this is what makes breeding cattle so much fun!

**PETE, VAWNITA & KYLE BEST**

Attractive 7008 that is out of a Winchester daughter out of 104V.

*Cattlemen & Friends* - Welcome to the 2022 Badlands Angus Alliance Bull & Bred Female Sale. We are proud to partner with our friends the Bests and Talkingtons and our respective customers to offer this unique sale. It is our goal to continue this sale as the premier source for maternal Angus genetics in western North Dakota.

Our herd consists of fertile, functional, easy-fleshing cattle that raise big calves without creep feed. We believe that true profitability in the beef business is driven by cattle that have the Maternal POWER™ to do more with less. As your seedstock provider, we want your operation to be profitable and sustainable for generations with cattle that can withstand market pressure, as well as environmental challenges. Through rains or drought, we ask our stock to thrive in a Northern Plains, grass-based environment with minimal supplementation. They must do more with less.

Strommen Ranch cows must calve annually and wean a calf that is a high percentage of its dam's bodyweight. They must also possess the basic phenotypic traits to cover country, breed on time, have the smarts and mothering ability to do it on their own, all while performing under the conditions that Mother Nature has dealt us. We select for fertility, longevity, sound structure and realistic performance in the cow herd. Cattle that breed early in the cycle, are structurally sound and can raise big calves efficiently in a practical environment with minimal inputs are the kind of cattle we produce and believe will have a positive impact on your bottomline now and into the future.

The bulls we're bringing to Dickinson embody this philosophy. Retained expressly for this sale, they are rugged, stout, sound, packed with generations of Maternal POWER™ and are ready for service in big country. We look forward to seeing you Dec. 7, 2022, and invite you to our ranch, northeast of Solen, N.D., Feb. 18, 2023, at 3 p.m. CST, for our Maternal POWER™ Angus Bull Sale, where we'll sell 100 Angus Bulls, including yearlings and a small group of coming 2-year-olds.

LOT 21 - S R Emulation XXP 1742

**DVAuction**  
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service! Buying online is as easy as 1, 2, 3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you when you are approved.
3. Tune in for the sale and make your purchases!

After the sale, contact Aaron, Pete or Shane to arrange transportation. High speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can't make time to watch the sale, register a proxy bid and DVAuction represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. They'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. DVAuction support can always be reached at (402) 474-5557.

FOR BRED FEMALES IN WESTERN NORTH DAKOTA

# Commercial BRED FEMALES

These bred females are the type and kind you can use to build a profitable, sustainable herd for generations. They are bred to be easy-fleshing cattle that are productive on minimal inputs, with enough emotional intelligence to be handled with minimal labor, and enough survival instinct to get out and forage, nurture their calves and bring in pounds at weaning. Many of them are carrying AI calves from proven calving-ease sires for a short calving period. This year's consignments offer a variety of calving start dates, including March, April and May. They have been ultrasounded for calving dates, sorted for quality and disposition, source verified and bred to known calving-ease genetics. Sale order will be determined by Stockmen's Livestock, as they are managing this portion of the sale.

***If you have cattle out of and bred to Talkington, Strommen or Best bulls and you'd like to consign bred heifers in 2023, please contact us!***

## JEFF RUUD, ROSS, ND

**45 AI BRED HEIFERS, DUE MARCH 15<sup>TH</sup>**

**30 BRED HEIFERS, DUE APRIL 1<sup>ST</sup> FOR 30 DAYS**

*Contact:* **JEFF & CARMEN RUUD • (701) 629-2006**

Ruuds are repeat consignors and focus on low-input cattle that require minimal labor by focusing on problem-free cows and unassisted calving. Their herd has been heavily influenced by Talkington Angus Ranch bulls sired by Resource, Bravo, ImageMaker, Prosecutor, Versatile and Ozzie.

Jeff and Carmen are only making this set of home-raised heifers available due to the fact that they have decided to reduce herd size. The AI-bred heifers are bred to SAT Wolverine. The bull-bred heifers were bred to Talkington Angus Ranch bulls.

These heifers will weigh 1,100 lbs., and were ultrasounded for calving date by Dr. Kristi Pennington of the Dakota Prairie Veterinary Service in New Town, N.D. Heifers were vaccinated with ViraShield 6+VL5 and Scour Bos and poured with Dectomax.

## JUSTIN LUND, ROSS, ND

**55 BRED HEIFERS, DUE MARCH 24<sup>TH</sup> FOR 21 DAYS**

*Contact:* **JUSTIN, BERNADETTE, PRAYRIE & DAYNE LUND • (701) 629-1424**

Repeat consignors Justin and Bernadette are the 4th generation of Lunds to ranch in Western Mountrail County. These top-of-the-herd heifers are sired by Strommen Ranch sons of Torque, Resource, Sinclair Emulation XXP, Emblazon 702 and Capitalist.

Lund's heifers are backed by generations of easy-fleshing, maternally oriented genetics, which should allow for easy calving and profitable cattle production. Their feeder steers will grow well and their heifers will be the keeping-kind. The bred heifers they've consigned were developed on native range in the White Earth Valley until sale day. Lund's heifers have been quite popular every time they've been consigned to this sale.

These heifers are bred to calving-ease heifer bulls from Strommen Ranch and Metzger Cattle. They were pregnancy ultrasounded by Hermanson Veterinary Service of Stanley, N.D., and received a full health program including BoviShield Gold FP 5+VL5 in the spring. CattleMaster 4+VL5 and Dectomax this fall. They will weigh approximately 1,050 lbs on sale day.

# ROSS RANCH, GRENORA ND

**25 BRED HEIFERS, DUE MARCH 18<sup>TH</sup> FOR 14 DAYS**

**25 BRED HEIFERS, DUE APRIL 1<sup>ST</sup> FOR 15 DAYS**

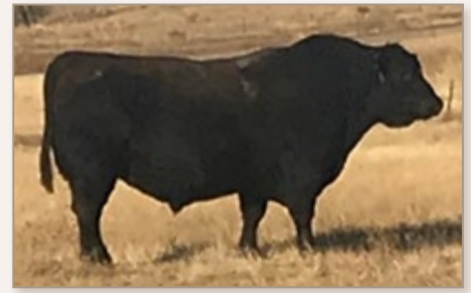

*Contact:* **RYAN & RACHEL ROSS • (701) 509-7490**

This will be the Ross Ranch's 3rd year consigning heifers. They have a heifer development program that they have been doing in the Grenora area since 2017. Ryan stepped down from his career as an Agronomist to expand their heifer program which has been very well received by their customers. This past year they developed about 700 head. Ryan purchases top heifers from our customers and then develops them.

The heifers he selected for the Badland's Angus Alliance came from Steve and Wanda Nelson of Watford City and the Aasheim Ranch from the Medicine Lake area in Montana. Steve and Wanda have been excellent customers. They purchase ET brothers, with past bulls including the influence of Right Time, Alliance 64L from Best Angus and, most recently, Resources from Talkington and Best Angus. Ross Ranch has purchased Nelson heifers previously and they have done very well and the customers have been happy with the heifers.

Aasheim Ranch's herd was a registered herd in the past that they have converted over to commercial. They take their bull selection very seriously and purchase top bulls from programs they trust. Their herd is based on genetics from Right Time, Alliance 64L, Resource, and Tjelde bulls from Best Angus; and Capitalist and Torque sons from Strommen Ranch. We are excited that Ross Ranch was able to purchase heifers from this reputation herd.

The heifers were bred to calving-ease Charlo Sons purchased from Best Angus. The heifers should weigh over 1,000 lbs. They were vaccinated with Vira Shield and poured with Ivermectin. They have been ultrasounded by the Northwest Vet Clinic.

# JORDAN BRAAFLAT, PLAZA, ND

**12 AI BRED HEIFERS, DUE APRIL 10<sup>TH</sup>**

*Contact:* **JORDAN & HEATHER BRAAFLAT • (701) 629-1424**

Repeat consignors Jordan and Heather Braaflat are bringing another nice set of home-raised heifers with great dispositions. Braaflats have an extensive AI program and have recently used bulls like Rainfall, Playbook and Capitalist. They are long-time Talkington customers who have bought sons of Rainfall, Bravo, Motive and Mustang. Heifers are freeze branded.

These heifers were AI'd to Connealy Guard Rail and were pregnancy ultrasounded by the Minot Veterinary Clinic. The heifers will weigh approximately 1,100 lbs on sale day and have been vaccinated with Cattle Master FP, Scour Guard 4K and poured with Dectomax.

## ALEX & NANCY DEIS, LINTON, ND

### 40 AI BRED HEIFERS, DUE MARCH 18<sup>TH</sup>

Contact: **ALEX DEIS • (701) 321-1491**

Repeat consignors Alex and Nancy Deis have brought us another nice set of heifers that originated from long-time Strommen Ranch customers, Shannon and Jennifer Goetz of Richardton, N.D. Alex and Nancy have done an excellent job developing these heifers. They carry the influence of Torque, Resource, Payweight and International genetics from Strommen Ranch and Reich Angus. This will be a top-cut set of heifers that will weigh 1,050 lbs. on sale day.

They are AI'd to SAT Wolverine 916, an excellent calving-ease bull that was raised by Talkingtons and purchased by Select Sires. Every one of these heifers carries an AI-sired calf for a March 18 calving date. These heifers were ultrasounded by Steele Vet Clinic for sex and calving date, are on a full health and mineral program and are cake broke. Help yourself by taking these girls home.

## LANE AND JOHN MARSHALL, TOWNER ND

### 25 BRED HEIFERS, DUE APRIL 1<sup>ST</sup> FOR 15 DAYS

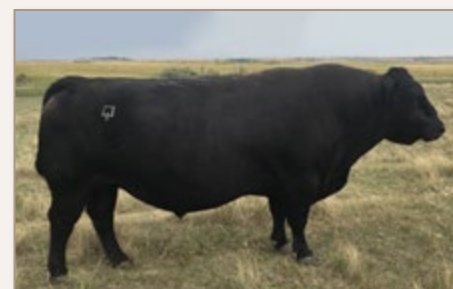

### 25 BRED HEIFERS, DUE APRIL 15<sup>TH</sup> FOR 15 DAYS

Contact: **LANE MARSHALL • 701-833-7518 • JOHN MARSHALL • 701-833-0808**

Marshalls are new consignors this year. These are all home-raised heifers selected from a 600-head cowherd. Marshalls have a very respected reputation herd they have been working on for over 40 years in the Towner area. Lane has an excellent eye and has purchased some of our very top bulls over the years. He has purchased numerous LAR 64L Alliance sons in the past and Resource sons have been his most recent purchases. The Resource X 64L cross has been excellent for us.

The heifers were bred to sure fire calving ease sons out of Best Box Cross 291 and CAR Hickory.

Lane estimates the heifers will be good flesh and weigh over 1,000 lbs. at sale time. The heifers have had 2 rounds of Bovi Shield VL5 in the spring. They have been ultrasounded by Kristi Best, DVM and poured with Clean Up II prior to the sale.

**BEST BOX CROSS**

**CAR HICKORY**

## GENE WARCZEKA, HARVEY ND

### 30 BRED HEIFERS, DUE APRIL 1<sup>ST</sup> FOR 20 DAYS

Contact: **GENE WARCZEKA • (320) 293-1190**

Gene is a new consignor this year. He has been breeding for maternal cattle for many years. He strives for perfect feet, udders and gentle dispositions. Gene has a very strong Shoshone influence throughout his herd. He has purchased bulls from Best Angus, Medalen Angus, and Dockweiler Angus. He selects bulls that are a combination of Emulation and Shoshone breeding. Gene has been selling his calves to Dan Ecker the past 5 years. Dan has been so impressed with how well Gene's cattle have done on the rail that he started buying females from Gene as well. Dan has been very impressed with the fleshing ability and mothering instinct on the females he has purchased.

The heifers are bred to easy calving Basin Excitement sons purchased from Best Angus. The heifers were ultrasounded by Sheridan Animal Hospital. They have been poured with Ivomec.

**BEST EXCITEMENT 752**

## ZILLICH RANCH, TAYLOR, ND

### 30 BRED HEIFERS, DUE MAY 16<sup>TH</sup> FOR 35 DAYS

Contact: **KEVIN ZILLICH • (701) 290-0259 • COLTEN ZILLICH • (701) 590-9356 • BRIDGET & JORDAN JOHNSON • (701) 300-2233**

Long-time Strommen Ranch customer, Zillich Ranch of Taylor, N.D. is a first-time consigner, but their heifers have been offered through this sale four previous times and have been popular every time. Here's an excellent set of May-calving heifers that many of you have requested. They are bred to Strommen Ranch calving-ease sons of Revolver and Advance.

The genetic history behind these heifers is second-to-none. Maternal POWER™ genetics run deep, including Torque, Capitalist, Resource, Alliance, Bandwagon, Larks Canyon, Game Day, Motive, Final Answer, Thunder, Substantial and Bando 9074.

They were pregnancy ultrasounded for calving date by Dr. Travis Kuhlka of TK Veterinary Service in Glen Ullin. They've been on a full health program, including ScourGuard and SafeGuard at ultrasound time.

**BRUIN TORQUE 5261**

**CONNELY CAPITALIST 028**

## WARREN WORONEICKI, HEBRON, ND

**12 AI BRED HEIFERS, DUE MARCH 23<sup>RD</sup>**

**66 AI BRED HEIFERS, DUE MARCH 23<sup>RD</sup>**

**22 BRED HEIFERS, DUE APRIL 6<sup>TH</sup> FOR 14 DAYS**

*Contact:* **WARREN & JODIE WORONEICKI • (701) 878-4088 • (701) 290-5689**

Repeat consignors, Warren & Jodie Woroneicki focus on raising high fertility cattle that can thrive with minimal inputs. They practice year-round grazing with minimal hay supplementation. These cattle are handled almost exclusively with horses.

All of these heifers are F1 Baldies, either out of Woroneicki's Hereford cows and Talkington Angus bulls, or out of Reich Angus cows and Woroneicki's home-raised Hereford bulls. They will weigh between 1,100 and 1,150 lbs. on sale day and were pregnancy ultrasounded for calving dates by Dr. Travis Kuhlka of TK Veterinary Service in Glen Ullin.

Group one, the 12 AI Bred Heifers, are out Tahoe daughters and AI'd to E&B New Addition. Group two, the 66 AI Bred Heifers were AI'd to SAT Wolverine. Group three, the bull bred heifers, are bred to calving-ease Tahoe sons from Talkington Angus Ranch.

These heifers have had a full herd health and mineral program, including vaccinated and boosted with Cattle Master 5 VL5 and pinkeye vaccine. They've been poured with Clean-up and drenched with Safe Guard.

**SAT WOLVERINE 916**

**E&B NEW ADDITION 608**

## JERRY SCHMIDT, DRISCOLL, ND

**30 AI BRED HEIFERS, DUE MARCH 11<sup>TH</sup>**

**20 AI BRED HEIFERS, DUE MARCH 28<sup>TH</sup>**

*Contact:* **JERRY SCHMIDT • (701) 471-6906**

Repeat consignor Jerry Schmidt of Driscoll, N.D., is known for his outstanding bred heifer development program. He is bringing 50 heifers that originated from the Scott & Beth Gaugler Ranch at Dunn Center, N.D. Gauglers have sourced bulls and females from Talkington Angus, Best Angus and Strommen Ranch and have a keen eye for high quality cattle that efficiently convert forage into pounds of beef. Gaugler's herd carries the influence of Rainmaker, Rito, Aviator, Emulation XXP and Revival.

These heifers are all AI'd to S Architect 9501 and are expected to weigh 1,050 lbs. sale day. They were pregnancy ultrasounded by Steele Veterinary Clinic and have been on a complete health and mineral program. They received Bovi-Shield Gold FP5+VL5, Dectomax and Multimin in the spring and CattleMaster 4+VL5 and Ivomec this fall.

**S ARCHITECT 9501**

**SINCLAIR EMULATION XXP**

# STROMMEN RANCH, SOLEN, ND

**13 AI BRED HEIFERS, DUE MARCH 14<sup>TH</sup>**

**10 BRED HEIFERS, DUE APRIL 1 FOR 30 DAYS**

Contact: **AARON STROMMEN • (701) 290-7983**

We are excited to offer this unique group of heifers purchased from long-time Strommen Ranch bull customers, Jason & Angie Erickson of Beulah, N.D. These are top-cut heifers with a genetic history that is second to none. Maternal POWER™ genetics run deep with sires including Motive, Resource and Charlo.

The AI bred heifers are AI'd to Rainmaker 4404 and the bull bred heifers are bred to calving ease heifer bulls from Strommen Ranch.

These heifers were ultrasounded by Mandan Vet Clinic for sex and calving date, are gentle and cake broke. They have a full health and mineral program including CattleMaster FP5 and Spirovac VL5, drenched with Safe-Guard and poured at ultrasound time. This is a tremendous set of heifers that have been very popular in past sales.

# REPLACEMENT HEIFER CALF SPECIAL 2/2/23

Stockmen's Livestock (East Barn)  
Dickinson, ND • 12 p.m. MST

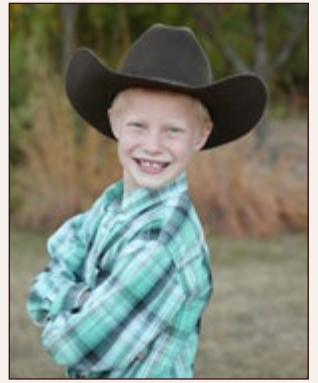

In 2023, we're adding another exclusive opportunity for you to add value to your Talkington, Strommen, or Best-influenced females. The inaugural Badlands Angus Alliance Replacement Heifer Calf Special is set for Feb. 2, 2023, at Stockmen's Livestock (East barn) in Dickinson, N.D. This sale is only open to replacement heifers that are influenced by Strommen Ranch, Best Angus or Talkington Angus genetics.

The replacement heifer calf special is an exciting opportunity for our bull customers to add value to this year's heifer calf crop or for anyone starting a bred heifer development project. Heifer calves sold through the Badlands Angus Alliance Replacement Heifer Calf Special (Feb. 2023) directly qualify for the 2023 Badlands Angus Alliance Bull & Bred Female Sale (Dec. 2023) when they are bred back to Talkington Angus, Strommen Ranch or Best Angus bulls.

***Before you market your 2022 heifer calves, contact Aaron, Shane or Pete to discuss the replacement heifer calf special and other marketing opportunities we offer.***

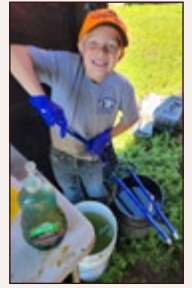

*Opportunity*

IS MISSED BY SOME PEOPLE BECAUSE IT IS DRESSED IN OVERALLS AND LOOKS LIKE WORK.

*Thank You*

# BADLANDS ANGUS ALLIANCE BULL & BRED FEMALE SALE

**December 7, 2022 • Stockmen's West • Dickinson, ND • 12 p.m. MST**  
**40 COMING 2-YEAR-OLD ANGUS BULLS • 500 BRED FEMALES**

The Best, Strommen and Talkington herds are each backed by a similar maternally-oriented, balanced-trait breeding philosophy. We each place heavy emphasis on fertile, efficient, easy fleshing cows, which is why our genetics fit well together for discriminating cattlemen who desire cattle backed by generations of maternal excellence – phenotypically appealing females with good feet, great udders and outstanding docility.

We invite you to join us in Dickinson on Dec. 7, 2022, for the Badlands Angus Alliance Bull & Bred Female Sale featuring elite, source- and genetic-verified bred females from our customers and stout, rugged, coming 2-year-old bulls from our respective programs.
