BULL & BRED FEMALE SALE

DECEMBER 2, 2026 • NOON (MT)

Stockmen's West • Dickinson, ND

60 COMING 2-YEAR-OLD ANGUS BULLS • 550 COMMERCIAL BRED HEIFERS

MATERNAL STRENGTH. COMMERCIAL VALUE.

The Badlands Angus Alliance brings together Strommen Ranch, Talkington Angus, Best Angus and our valued commercial customers to offer **550 source- and genetic-verified bred Angus females** on **Wednesday, December 2, 2026**, at Stockmen's West in Dickinson, ND.

These females represent a shared commitment to **PRACTICAL, PROFITABLE BEEF PRODUCTION**. Developed across a variety of environments and management systems, they come from herds that emphasize **fertility, efficiency, soundness and maternal ability**. They are sired by—and bred back to—Strommen Ranch, Talkington Angus or Best Angus bulls.

Our breeding decisions balance performance and EPDs with the traits that make cows valuable in the pasture: easy fleshing, good dispositions, sound feet, quality udders and the ability to raise a calf without excessive inputs.

We expect females to forage, breed back, nurture their calves and bring home pounds at weaning.

Helping our customers market these females is part of our commitment to service beyond the bull sale. ***We're proud of the herds they're building and pleased to offer buyers access to that maternal foundation.***
