

STALKINGTON TANGUS RANCH

12TH ANNUAL
PRODUCTION SALE

FRIDAY, FEBRUARY 10, 2023

1:30 PM AT THE RANCH • BELFIELD, NORTH DAKOTA

Maternally oriented • Balanced-trait philosophy

A woman is kneeling in a field of tall green grass, interacting with a group of dark-colored cattle. In the background, two horses with saddles are grazing. The scene is set in a rural, grassy field under bright sunlight.

www.TalkingtonAngusRanch.com

Welcome to the 12th annual Talkington Angus Ranch Bull Sale. We are extremely grateful for your interest in our program and past patronage. We are proud to offer this uniform and honest set of thick, stout, Angus bulls.

We are extremely excited about this set of bulls. Not only is it the most yearling bulls we have offered, but we feel it is the most consistent and deepest in quality that we have offered. The offering is headlined by two highly proven, maternal sire groups in S A V Renovation and U-2 Coalition. These might be two of the more impressive sire groups we have offered, from top to bottom.

These bulls are developed with longevity and fertility in mind, they are not creep fed and they are grown and developed in a sensible manner. The goal is to raise bulls that last, not to see how much condition we can put on them by sale day. The bulls are fully guaranteed for the first breeding season, are freeze branded for permanent identification, have been genomically tested to create the most accurate EPD's possible, and are all parent verified.

Our cow herd is fertile, functional, and easy fleshing. We run and treat our registered cows just like our commercial cows and our customers cows. We believe the single most important driver to profitability in the cow-calf business is fertility. Cows must get pregnant every year on a timely basis to be profitable. That is why we give every registered cow 45 days to get pregnant and have for years. If she does not, she leaves, no excuses, no second chances. We believe in a balanced trait, maternal philosophy. We focus on the so called "convenience traits." Things like udder quality, foot quality, maternal instinct, and good dispositions are all things expected here.

We invite you to come visit before the sale and go through the bulls and their dams. Follow us on Facebook or our website for updated pictures, videos, and sale supplements and updates. Videos will also be available on DVAuction.com.

Sincerely,

Shane, Amanda, Abby, Hadley, and Cade Talkington

Videos of all sale bulls are available at
www.talkingtonangusranch.com and
www.dvauction.com

LIABILITY: All persons who attend the sale do so at their own risk and Talkington Angus Ranch assumes no liability, legal or otherwise, for any accidents which may occur.

LUNCH: There will be a complimentary lunch provided on sale day.

SALE LOCATION: We will hold the sale and lunch at our heated shop 2 miles northwest of Belfield. The bulls will be penned there that morning and will be available for viewing by 10:00 am.

DIRECTIONS: From the junction of I-94 and Highway 85 (Exit 42): ½ mile north to 35th Street, 1 ½ miles west, on the north side of the road.

HEALTH PROGRAM: The bulls have been poured with Cleanup II. They have received Safeguard. All bulls will be vaccinated with Fusogard for foot rot and Pregguard 10 prior to delivery.

SEMEN EVALUATION: All bulls will pass a breeding soundness exam performed by Dr. Chance Noyce, Circle C Veterinary, prior to delivery.

VOLUME DISCOUNTS: We will discount purchases of multiple bulls starting at 3% on 3 bulls up to 5% on 5 bulls or more.

TERMS AND CONDITIONS:

Bulls sell under the standard terms and conditions of the American Angus Association. Terms of the sale are cash. Full payment is due sale day. For purchases made through DVAuction, please remit Payment to Talkington Angus Ranch, 3137 136th Ave SW, Belfield, ND 58622.

DELIVERY: We will start delivering bulls April 1. We offer free delivery within 500 miles.

GUARANTEE: All bulls sell with a 90-day breeding season guarantee. We will guarantee them for the purchase price minus a preset salvage value of \$1500, or provide a replacement bull, if a suitable bull is available.

SIGHT UNSEEN GUARANTEE:

If you are unable to attend the sale, but wish to place a bid, call Shane or Amanda, or one of the ringmen. We will also have people available on sale day to handle phone bids. We will handle your bid with honesty and integrity. Your complete satisfaction is guaranteed. The sale will also be available at www.dvauction.com

Body mass, power, and thickness in this Renovation son. This bull will catch your eye. Not only will he have the potential

to add major pounds and performance to a calf crop, but he will leave behind tremendous daughters. His dam is a Pathfinder who owns a WW ratio of 4/108. She does this while being easy fleshing, having immaculate udder quality, and being good footed. She descends from one of our most prolific donors, Princess 550 BCBR, who possessed a WW ratio of 7/110. This bull is the first of four ¾ brothers. Definite herd bull potential.

Really eye-appealing, attractive bull. This bull is nice patterned, with a tremendous hind quarter. 2162 is the calving ease bull out of these first 4 ¾ brothers. This is solidified by his dam's BW ratio of 7/93. His dam is a favorite to all visitors and was our most asked about cow on the North Dakota Angus Tour this fall. She is a power cow who is as easy keeping as they come. Her udder quality and hoof design are both excellent. Her fertility is exceptional with a calving interval of 7/368.

DVAuction

Broadcasting Real-Time Auctions

Can't make the sale? **Bid from home with DV Auction's "real-time" internet bidding service!** Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you when you are approved.
3. Tune in for the sale and make your purchases!

After the sale, contact Shane to arrange transportation and payment. High speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can't make time to watch the sale, register a proxy bid and DVAuction represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. They'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. DVAuction support can always be reached at (402) 474-5557.

You will have to look a long time to find a calving ease bull like 2142. He is dense bodied, deep sided, thick topped, with an expressive hip. This moderate framed bull excels for docility and foot quality, two traits I hear talked about more than anything else. He ranks in the top 4% of the breed for \$M. His dam has done everything right so far. She owns a BW ratio of 3/96 to go with her WW ratio of 3/108. She has caught AI every year. Her first calf was our lead-off, lot 1, high selling bull in 2021. Her second calf by Tahoe is one of our very best bred heifers. 2142's grand dam by Confidence owns a BW ratio of 5/90 and WW ratio of 5/98.

reference sire

U-2 COALITION 206C

Reg # 18626847

HF Syndicate 213Z x Young Dale Xclusive 25X

Coalition stamps his progeny with his big hip, bold design, and expressive muscle shape. The cow power behind Coalition is extraordinary. His dam is striking in her looks and build. Coalition progeny are extremely good footed and display quiet dispositions. Outcross pedigree for our customers.

COLEMAN RESOURCE 918

Reg # 19554416

S A V Resource 1441 x Connealy Onward

918 was our selection at the 2020 Coleman Angus bull sale. He is powerful, big-middled, and exhibits tremendous length of body. His Pathfinder dam at Colemans owns a WW ratio of 4/112 and a YW ratio of 4/114. She is good uddered, has great feet, extremely long bodied, and incredibly good in her front third. His grand dam is a full sister to Charlo.

This will be one of the most trust-worthy calving ease bulls to sell in our sale, but he offers a lot more than just low birth weight. This bull's pedigree is stacked with longevity and fertility, which might be the two most important drivers for profitability in a cow-calf operation. His dam is a coming 11-year-old cow with a BW ratio of 9/92, a calving interval of 9/365, and perfect feet. His grand dam also made it to a coming 11-year-old cow that was 9/98 for her BW ratio and had a calving interval of 9/367. 254 owns the lowest BW EPD in our sale and the best \$Energy ranking in the top 3% of the breed. Use him to add fertility, longevity, and fleshing ability.

reference sire

SAT WOLVERINE 916

Reg # 19544206
 Tehama Tahoe B767 x Brooking Prosecutor 222

The Wolverine progeny are moderate, stout, good footed, and have plenty of substance for a bull with his level of calving ease. His Pathfinder dam records a WW ratio of 4/104 and has caught AI every year. Wolverine has become a go to for breeding virgin heifers nationwide as he has ascended to near the top of Select Sires sales, ranking 2nd for units and 5th for dollars domestically.

E&B Essential

551AN1838

Essential possesses incredible structure and design and we appreciate his foot quality and mobility. He is a balanced trait sire fortified by a proven cow family that we expect to add fleshing ability, improve docility, and longevity. His standout dam is admired for her femininity, structural integrity, udder quality, and exceptional feet and legs. She is also the dam of the Accelerated Genetics sire E&B New Addition, who has been a perennial sales leader and has left beautiful, moderate framed daughters with exceptional udder quality who wean big calves across the US and South America. We feel Essential has the potential to be one of the top maternal sons of the extremely popular Growth Fund.

Contact ST Genetics or Talkington Angus Ranch for semen.

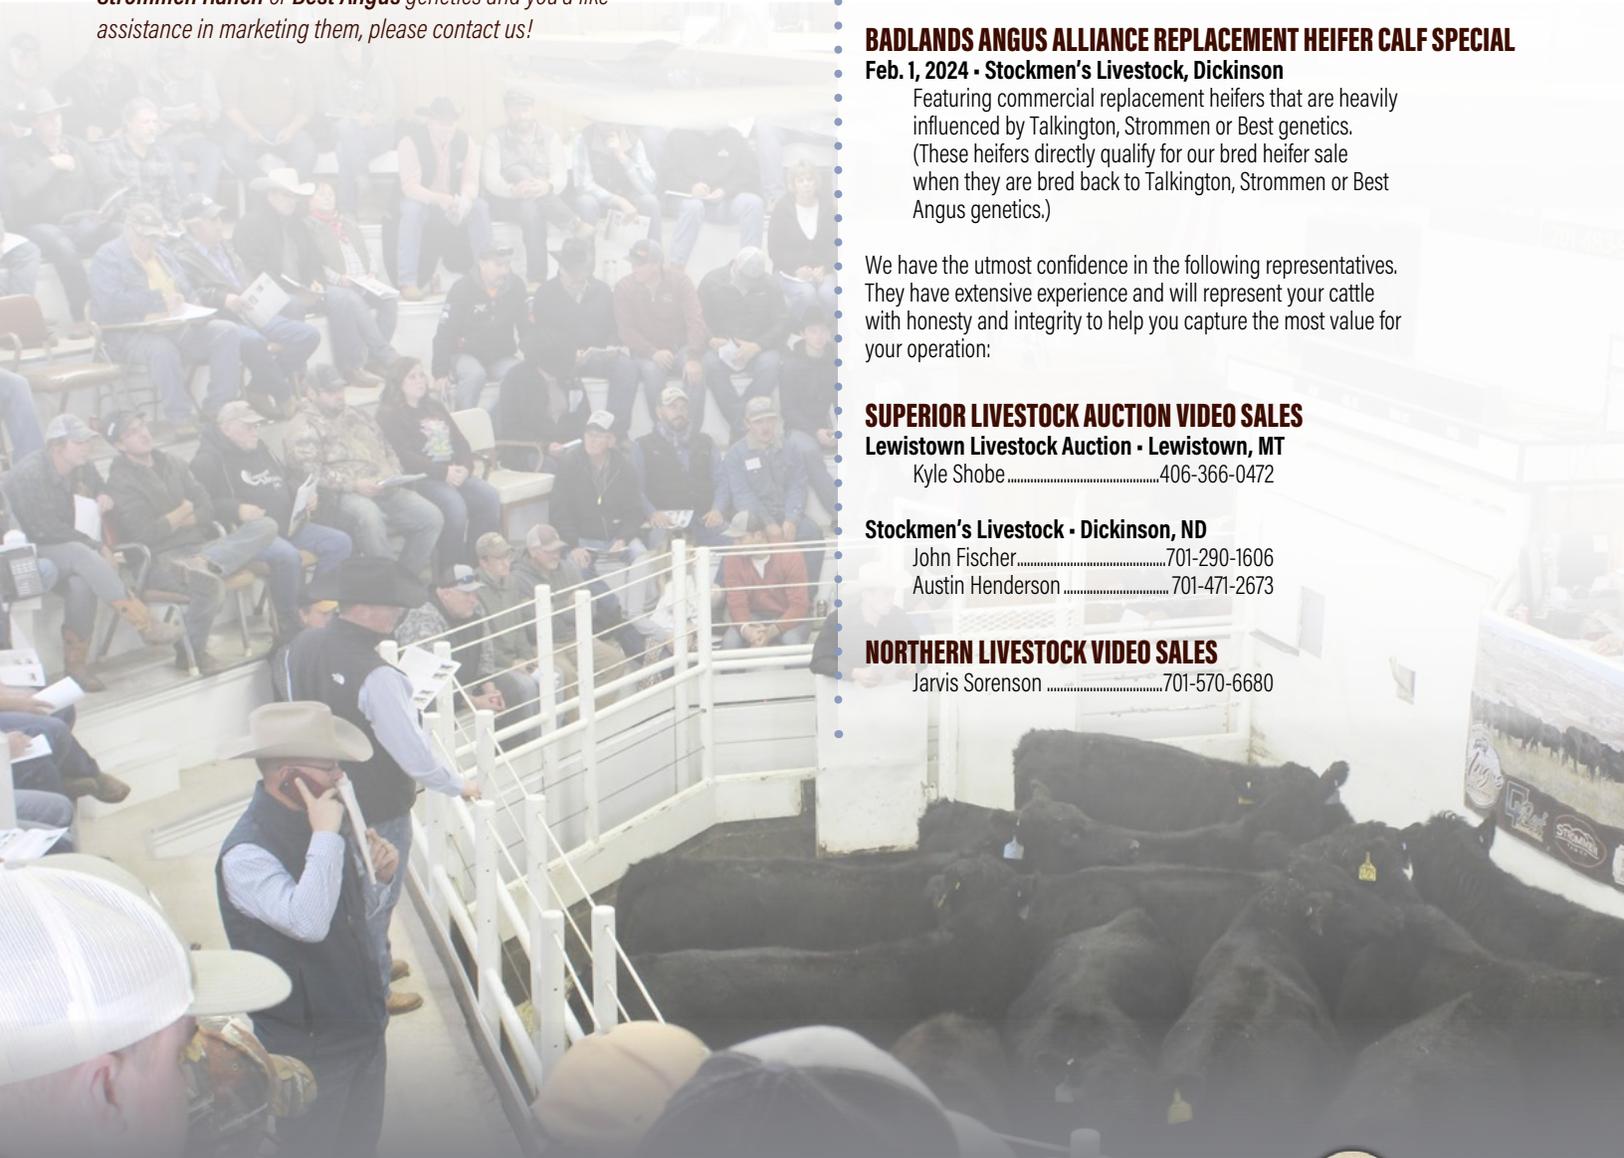

MARKETING

opportunities

THROUGH THE BADLANDS ANGUS ALLIANCE

If you have cattle heavily influenced by **Talkington Angus**, **Strommen Ranch** or **Best Angus** genetics and you'd like assistance in marketing them, please contact us!

In addition to helping our customers capture added value for their bred heifers and replacement heifer calves, we are working to help you capture added value for your entire calf crop.
