

STALKINGTON TANGUS RANCH

14TH ANNUAL PRODUCTION SALE

FRIDAY, FEBRUARY 14, 2025

1:30 PM AT THE RANCH • BELFIELD, NORTH DAKOTA

Maternally oriented • Balanced-trait philosophy

**SELLING 80
ANGUS BULLS**

Welcome to the 14th annual Talkington Angus Ranch Bull Sale. We are extremely grateful for your interest in our program and past patronage. We are proud to offer this uniform and honest set of thick, stout, Angus bulls.

We are extremely excited about this set of bulls. The offering contains a few exciting sire groups, starting with the S A V Territory 7225 offspring. This highly proven bull has added performance and muscle to his sons and left us daughters that blend power and femininity. Another group to highlight are the E&B Essentials. This is our second set of Essentials to sell. This sire group is stamped with a stout, moderate look with structural integrity and breed character, very uniform sire group. A new sire group to the offering are the Coleman Easy Decisions. With a different top side to his pedigree, calving ease, and tons of maternal potential, this will be a sire group to checkout. Another sire group to watch, are the Sitz Intuitions. Our high selling sire group in 2023, we decided to go back to him once we saw how his progeny were developing. This is an out cross sire for us and our customers that can fit in many places.

These bulls are developed with longevity and fertility in mind, they are not creep fed and they are grown and developed in a sensible manner. The goal is to raise bulls that last, not to see how much condition we can put on them by sale day. The bulls are fully guaranteed for the first breeding season, are freeze branded for permanent identification, have been genomically tested to create the most accurate EPD's possible, and are all parent verified.

Our cow herd is fertile, functional, and easy fleshing. We run and treat our registered cows just like our commercial cows and our customers cows. We believe the most important drivers to profitability in the cow-calf business are fertility and longevity. Cows must get pregnant every year on a timely basis, year after year, to be profitable. If she does not, she leaves, no excuses, no second chances. We believe in a balanced trait, maternal philosophy. We focus on the so called "convenience traits". Things like udder quality, foot quality, dispositions, maternal instinct, all things that we take for granted here, but realize that is not the case everywhere.

We invite you to come visit before the sale and go through the bulls and their dams. Follow us on Facebook or our website for updated pictures, videos, and sale supplements and updates. Videos will also be available on DVAuction.com. Thank you for your interest.

Sincerely - *Shane, Amanda, Abby, Hadley, and Cade Talkington*

www.dvauction.com

LIABILITY: All persons who attend the sale do so at their own risk and Talkington Angus Ranch assumes no liability, legal or otherwise, for any accidents which may occur.

LUNCH: There will be a complimentary lunch provided on sale day.

SALE LOCATION: We will hold the sale and lunch at our heated shop 2 miles northwest of Belfield. The bulls will be penned there that morning and will be available for viewing by 10:00 am.

DIRECTIONS: From the junction of I-94 and Highway 85 (Exit 42): ½ mile north to 35th Street, 1 ½ miles west, on the north side of the road.

HEALTH PROGRAM: The bulls have been poured with Cleanup II. They have received Safeguard. All bulls will be vaccinated with Fusogard for foot rot and Pregguard 10 prior to delivery.

SEMEN EVALUATION: All bulls will pass a breeding soundness exam performed by Dr. Chance Noyce, Circle C Veterinary, prior to delivery.

VOLUME DISCOUNTS: We will discount purchases of multiple bulls starting at 3% on 3 bulls up to 5% on 5 bulls or more.

TERMS AND CONDITIONS:

Bulls sell under the standard terms and conditions of the American Angus Association. Terms of the sale are cash. Full payment is due sale day. For purchases made through DVAuction, please remit Payment to Talkington Angus Ranch, 3137 136th Ave SW, Belfield, ND 58622.

DELIVERY: We will start delivering bulls April 1. We offer free delivery within 500 miles.

GUARANTEE: All bulls sell with a 90-day breeding season guarantee. We will guarantee them for the purchase price minus a preset salvage value of \$2,500, or provide a replacement bull, if a suitable bull is available.

SIGHT UNSEEN GUARANTEE:

If you are unable to attend the sale, but wish to place a bid, call Shane or Amanda, or one of the ringmen. We will also have people available on sale day to handle phone bids. We will handle your bid with honesty and integrity. Your complete satisfaction is guaranteed. The sale will also be available at www.dvauction.com

WWR	106
Dam's Ratio	7/105

Powerful, heavy muscled bull who is still smooth made and eye appealing. His coming 9-year-old Pathfinder dam is a great example of what we strive for, fertility and longevity. She has caught AI every year of her life, with a calving interval of 7/367. She raised our high selling bull in 2021 and the 5th high seller in 2023. She has two daughters so far, one in the bred heifer pen and the other is off to a great start with a WR of 2/104, including Lot 70 in this sale. 449's grand dam is also a Pathfinder with a WR of 8/108. $\frac{3}{4}$ brother to Lot 2.

reference sire

S A V TERRITORY 7225

Reg # 18913034

S A V Resource 1441 x S A V 004 Density 4336

Territory progeny are thick, deep-bodied, and massive in their design. His daughters in production are capacious, easy-fleshing, and broody with udder quality, docility, and good foot quality. His incredible dam is a tremendous blend of power and femininity and is widely regarded as Density's greatest daughter.

6	1.8	77	136	19	0.73	14	0.45	0.51	68

Another powerful, extremely high-capacity Territory x Juneau 797 cross. Just like Lot 1's dam, 456's dam has caught AI every year of her life, with a calving interval of 5/365. She possesses a BR of 5/99 to go with her WR of 5/104. Her bull calf last year was our lead off Wolverine. Lot 2's grand dam was one of our very best Game Day daughters with a WR of 7/105. She was moderate in her mature size with an immaculate udder and still had perfect feet when she left the herd as a coming 10-year-old cow. At the time of writing this, 456 is the heaviest bull in the pen, he'll add some pounds to a calf crop and still keep them maternal. $\frac{3}{4}$ brother to Lot 1.

Thank you, Logan McMahan, for all your help!

Stout made Territory son who fits right in with lot's 1 and 2 in terms of dimension, power, and style. This gentle bull ranks in the top 10% of the breed with his WW EPD. His Pathfinder dam has caught AI every year, and she owns a calving interval of 4/367. She is a moderate cow who would rank high in the herd in terms of percentage of her own body weight that she weans, and she is extremely easy to handle, just like her dam was. She has two daughters in production already, including the dam of Lot 69.

DVAuction

Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service! Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you when you are approved.
3. Tune in for the sale and make your purchases!

After the sale, contact Shane to arrange transportation and payment. High speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can't make time to watch the sale, register a proxy bid and DVAuction represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. They'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. DVAuction support can always be reached at (402) 474-5557.

Dam's Ratio	1/107

Expressively muscled, with a powerful hip, this bull is wide through his chest floor and has an early maturing look to him. His 2-year-old dam is off to a great start with a BR of 1/95 to go with her WR of 1/107. She was an absolute standout of her calf crop, doing a great job combining power and femininity. His Pathfinder grand dam had a calving interval of 7/367 and a WR of 7/108, and only left the herd at 9 years of age due to a hip injury. His great grand dam was also a Pathfinder. $\frac{3}{4}$ brother to Lots 20, 29, 33, and 36.

Deer Valley Growth Fund x Sitz Dash 10277

Essential is a bull we bought with ST Genetics. Essential is moderate in his frame, possesses incredible structure and design, and we appreciate his foot quality, mobility, and disposition. His standout dam is admired for her femininity, structural integrity, and udder quality. She is also the dam of the Accelerated Genetics sire, E&B New Addition, who has been a perennial sales leader and has left beautiful, moderate framed daughters with exceptional udder quality who wean big calves across the US and South America. His progeny are extremely uniform, moderately made with tremendous breed character. He has exceeded our expectations as a sure bet calving ease bull, with a ratio of 95 for birth weight on his first 103 progeny.

Bold sprung calving ease bull with loads of body and capacity. You would never guess this bull would have the co-lowest BW EPD in the sale, ranking in the top 3% of the breed. This bull has a bright future, as he combines a standout phenotype with a no holes EPD profile. Stemming from the great Mabel cow family, his 2-year-old dam is a beautiful young cow, combining fleshing ability, a perfect udder, and excellent hoof structure. She combined a BR of 1/93 with a WR of 1/106. His Tahoe grand dam has a WR of 4/115, his Motive great grand dam owns a calving interval of 6/368, his Gridmaker great great grand dam was a powerful, easy fleshing cow that was in our donor program and had a calving interval of 11/365, BR of 10/97 and a WR of 10/99. The next dam back was the highly influential RR Mabel 4440. ¾ brother to Lots 32 and 35.

477 ranks in the top 5% of the breed for claw. His dam is a 2-year-old Stellar who was one of the absolute standouts of her age group as a heifer and she did a great job earning a 107 WR on her first calf. His great grand dam is a Pathfinder daughter of Charlo who is massive in her design and is very easy keeping. His great great grand dam is also a Pathfinder with a WR of 9/106. $\frac{3}{4}$ brother to Lots 18 and 35.

We are proud to welcome international guests from Uruguay and Portugal this summer.

This Authority son will catch your eye, he's been one I've really liked since a young age. He is stout made with an early maturing look. His soon to be Pathfinder dam has a calving interval of 3/362, a BR of 3/97, and a WR of 3/112. I think she is probably our best Navigator daughter. His Upward grand dam is a Pathfinder with a WR of 7/102. $\frac{3}{4}$ brother to Lot 63.

This is a bull that would probably work on heifers or cows, as he ranks in the top 10% for CED and top 5% BW. His dam is a Pathfinder with a calving interval of 6/367 and a WR of 6/106. His coming 12-year-old Confidence grand dam is another cow that epitomizes fertility and longevity, with a calving interval of 10/365, a BR of 9/92 and a WR of 9/101. She possesses excellent foot quality and has 4 daughters retained in the herd with a combined WR of 14/101. Her son sells as Lot 71.

COLEMAN AUTHORITY 175

Reg # 20155641

PM Executive Decision 5'17 x SAV Renown 3439

Authority was our selection at the 2022 Coleman Angus Sale. He combines the outcross Canadian sire, Executive Decision with the highly proven Renown daughter, Chloe C815. We feel there is unlimited maternal potential in this bull. His first two calf crops have been very balanced, with 38 recorded birth weights with an average ratio of 97, adequate performance, and breed character.

Dam's Ratio	2/112

Tremendous maternal potential here, out of an up-and-coming cow family at our ranch. Top 10% for claw and \$M. 4203's dam is another one of the good Unique daughters, with a WR of 2/112. His grand dam is an Apex Windy 078 daughter I really like, she is easy fleshing, high volume and fertile. She has a calving interval of 6/368, a BR of 6/93, a WR of 6/101, and has 3 daughters retained in the herd that combine for an impressive WR of 8/109. $\frac{3}{4}$ brother to Lot 68.

4111's Density dam was one of our favorites from when we purchased the R&D herd. The Density daughters have earned a reputation as moderate, broody, efficient cows with impeccable udder quality and superior production capability. Lot 77's dam just left the herd this fall as a coming 13-year-old cow with a lifetime WR of 11/102.

The second of the Renovation x Motive sons. The 11-year-old dam to this bull has been a herd favorite for years, she is a cow that visitors and tour groups always find and ask about. Her picture has been used in our advertising for years. She is deep ribbed, easy doing, and combines power and femininity. She has a calving interval of 9/366 and has always passed on low birth weight with a BR of 9/93. With her background, I would feel comfortable using this bull on heifers.

A standout for phenotype and structural soundness, Renovation has earned a reputation as a great female maker, excelling for maternal traits. His daughters are easy fleshing, broody cows, and his sons are stout made bulls. His pedigree combines maternal legends Renown, Density, Blackcap May 4136, and Madame Pride 0075.

MARKETING

opportunities

THROUGH THE BADLANDS ANGUS ALLIANCE

If you have cattle heavily influenced by **Talkington Angus**, **Strommen Ranch** or **Best Angus** genetics and you'd like assistance in marketing them, please contact us!

In addition to helping our customers capture added value for their bred heifers and replacement heifer calves, we are working to help you capture added value for your entire calf crop.

Contact us about these marketing options:

BADLANDS ANGUS ALLIANCE BULL & BRED HEIFER SALE

Dec. 3, 2025 • Stockmen's West, Dickinson

Featuring commercial bred heifers that are out of and bred back to Talkington, Strommen or Best genetics.
