15<sup>TH</sup> ANNUAL

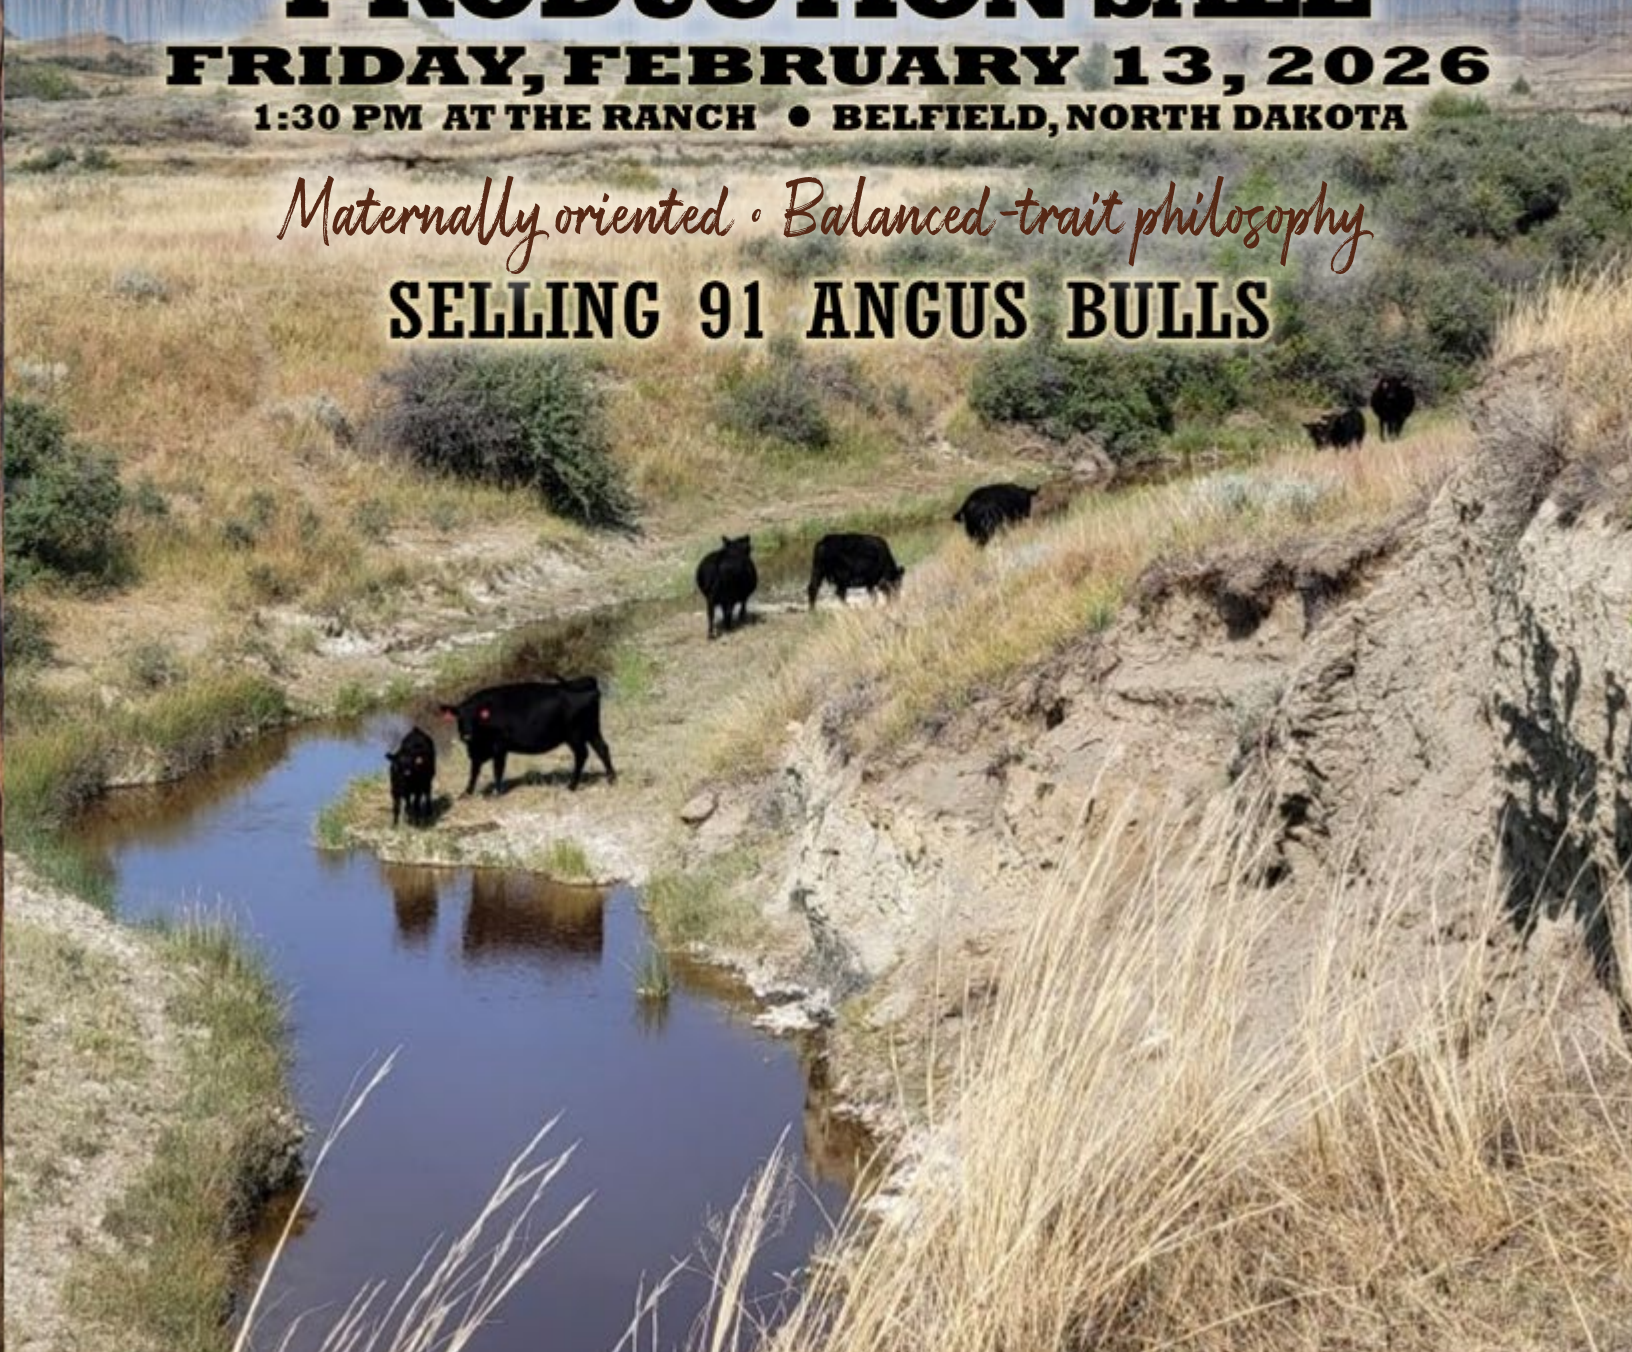

**PRODUCTION SALE**

**FRIDAY, FEBRUARY 13, 2026**

**1:30 PM AT THE RANCH • BELFIELD, NORTH DAKOTA**

*Maternally oriented • Balanced-trait philosophy*

**SELLING 91 ANGUS BULLS**

SE

**TALKINGTON  
ANGUS RANCH**

*Welcome* to the 15th annual Talkington Angus Ranch Bull Sale. We are extremely grateful for your interest in our program and past patronage. We are proud to offer this uniform and honest set of thick, stout, Angus bulls.

We are extremely excited about this set of bulls. This is our largest bull offering to date as our registered cow numbers continue to grow and we have restarted our ET program. You will see sire groups that you have seen here in the past, such as SAV Territory 7225, Coleman Big Country 260, and Coleman Authority 175, all of which are highly maternal performance bulls, and low birth weight sire groups like Coleman Easy Decision 1539 and E&B Essential. We are excited to offer 3 new calving ease sire groups in SAT Bravo 063, Montana Klondike 2212, and BCC Rapport. There are also two flushes that we are thrilled to present out of Coleman Donna 5309, our selection from their 2023 female sale. She is best known as the grandam of Coleman Easy Decision, there will be sons by Coleman Charlo 0256 and SAV Throttle 2961.

These bulls are developed with longevity and fertility in mind; they are not creep fed and they are grown and developed in a sensible manner. The goal is to raise bulls that last, not to see how much condition we can put on them by sale day. The bulls are fully guaranteed for the first breeding season, are freeze branded for permanent identification, have been genomically tested to create the most accurate EPD's possible, and are all parent verified.

Our cow herd is fertile, functional, and easy fleshing. We run and treat our registered cows just like our commercial cows and our customers cows. We believe the most important drivers to profitability in the cow-calf business are fertility and longevity. Cows must get pregnant every year on a timely basis, year after year, to be profitable. If she does not, she leaves, no excuses, no second chances. We believe in a balanced trait, maternal philosophy. We focus on traits like udder quality, foot quality, dispositions, maternal instinct, and fertility, all things that we take for granted here, but realize that is not the case everywhere.

We invite you to come visit before the sale and go through the bulls and their dams. Follow us on Facebook or check out our website for updated pictures, videos, and sale supplements and updates. Videos will also be available on DVAuction.com. Thank you for your interest.

Sincerely - *Shane, Amanda, Abby, Hadley, and Cade Talkington*

**LIABILITY:** All persons who attend the sale do so at their own risk and Talkington Angus Ranch assumes no liability, legal or otherwise, for any accidents which may occur.

**LUNCH:** There will be a complimentary lunch provided on sale day.

**SALE LOCATION:** We will hold the sale and lunch at our heated shop 2 miles northwest of Belfield. The bulls will be penned there that morning and will be available for viewing by 10:00 am.

**DIRECTIONS:** From the junction of I-94 and Highway 85 (Exit 42): ½ mile north to 35th Street, 1 ½ miles west, on the north side of the road.

**PHYSICAL ADDRESS FOR THE SALE SITE:**  
13159 35th Ave SW, Belfield, ND

**HEALTH PROGRAM:** The bulls have been poured with Cleanup II. They have received Safeguard. All bulls will be vaccinated with Fusogard for foot rot and Pregguard 10 prior to delivery.

**SEMEN EVALUATION:** All bulls will pass a breeding soundness exam performed by Dr. Chance Noyce, Circle C Veterinary, prior to delivery.

**VOLUME DISCOUNTS:** We will discount purchases of multiple bulls starting at 3% on 3 bulls up to 5% on 5 bulls or more.

**TERMS AND CONDITIONS:** Bulls sell under the standard terms and conditions of the American Angus Association. Terms of the sale are cash. Full payment is due sale day. For purchases made through DVAuction, please remit Payment to Talkington Angus Ranch, 3137 136th Ave SW, Belfield, ND 58622.

**DELIVERY:** We will start delivering bulls April 1. We offer free delivery within 500 miles.

**GUARANTEE:** All bulls sell with a 90-day breeding season guarantee. We will guarantee them for the purchase price minus a preset salvage value of \$2,500, or provide a replacement bull, if a suitable bull is available.

**SIGHT UNSEEN GUARANTEE:** If you are unable to attend the sale, but wish to place a bid, call Shane or Amanda, or one of the ringmen. We will also have people available on sale day to handle phone bids. We will handle your bid with honesty and integrity. Your complete satisfaction is guaranteed. The sale will also be available at [www.dvauction.com](http://www.dvauction.com)

Really unique bull here. We have never raised a bull that combines his level of calving ease with the performance, muscle shape, and thickness that he displays. 5410 was not only our heaviest weaning weight bull but also possesses the highest CED and lowest BW EPD's in the sale, ranking in the top 1% of the breed for both. He is the highest \$EN bull in the offering ranking in the top 3% of the breed, and it shows, he definitely has the look of a bull that will raise low input, efficient daughters. Lot 1 is our highest \$M sire, ranking well into the top 1% of the Angus population. To top it all off, he also ranks in the 10% of the breed for Functional Longevity, Claw, & Angle. 5410 is the first of 3 flush brothers sired by Charlo out of Donna 5309, making them full brothers to the \$410,000 valued Coleman Donna 7386, the Dam of the extremely popular Coleman Easy Decision 1539.

*reference sire*

## COLEMAN CHARLO

Reg # 16879074

OCC Paxton 730P x Sitz Traveler 8180

Charlo is unmatched in his status as a proven calving ease bull with his degree of thickness, fleshing ability, and breed character. He is a large scrotal bull who transmits longevity, excellent udder quality, tremendous foot quality and structural integrity, and fleshing ability into his daughters.

There is a lot of growth and performance in this flush of Throttle x 5309. 502 is one of the performance standouts of the entire offering displaying ample muscle shape and length of body. He ranks in the top 10% for his Heifer Pregnancy EPD and top 2% for Angle.

The 10-year-old dam of lots 1-7 and 15 is the grand dam to the \$135,000 Select Sires roster member, Coleman Easy Decision 1539. She possesses ratios of BR 8/91, WR 8/107, and YR 7/106. She is the Dam of the \$410,000 valued Coleman Donna 7386, the dam of Coleman Easy Decision and full sister to lots 1-3. We selected Donna 5309 at the 2023 Coleman Female sale as we were impressed by how much power and fleshing ability she possessed for being such a low-birth-weight individual. After evaluating some of her progeny, we realized she consistently transmitted low birth with more than ample performance and muscle. Her impeccable foot quality, which we are always looking for, sealed the deal that she was one to put into our program.

*reference sire*

## S A V THROTTLE 2961

Reg # 20480748  
S A V Territory 7225 x S A V President 6847

Throttle is a powerhouse who transmits length, muscle shape, growth, and power along with superb structure and soundness. His Pathfinder dam owns a WR of 6/104 and his Pathfinder grandam possesses a WR of 10/107.

Our lead-off Big Country is a stout made bull out of a easy fleshing coming 10-year-old dam that has caught AI 7 out of 8 years and combines a BR of 8/92 with a WR of 8/102. She is the best 1682 daughter that we have raised, and she descends from the highly influential Mabel cow family. His granddam by BAR EXT stayed until 11 years old with a CI of 9/365 and a BR of 9/94. His Great granddam was our donor RR Mabel 4440, our foundation Mabel who boasted a production record of a WR of 6/110 and a YR of 6/110.

*reference sire*

## COLEMAN BIG COUNTRY 260

Reg # 20503511

S A V Renown 3439 x Coleman Charlo 0256

Big Country was our choice at the 2023 Coleman Angus bull sale, where we felt he was the best bull in the offering. He combines tremendous depth of body, muscle, structural integrity, and impeccable foot quality. He is sired by the highly proven and reliable female maker, Renown. His Pathfinder dam, Coleman Donna 5247, is a model Angus cow who combines tremendous volume, muscle, and mass, with a production record of BR 5/95, WR 5/109, and YR 4/111 and has 7 daughters in production with an average nursing ratio of 104.

The Pathfinder dam to 5180 owns a CI of 7/369 and a WR of 7/105. She is one of our very best when you look at the combination of foot quality and udder quality, being nearly perfect for each. She entered our Donor program last fall. His Pathfinder great granddam was a donor and our foundation Princess, Princess 550 BCBR, with a WR of 7/110 and a YR of 6/100.  $\frac{3}{4}$  brother to lot 14.

reference sire

**COLEMAN AUTHORITY 175**

Reg # 20155641  
 PM Executive Decision 5'17 x S A V Renown 3439

Authority was our selection at the 2022 Coleman Angus Sale. He combines the outcross Canadian sire, Executive Decision with the highly proven Renown daughter, Chloe C815. We feel there is unlimited maternal potential in this bull. His first three calf crops have been very balanced, keeping birth weights under control with adequate performance and breed character. Authority's first daughters calved in 2025, they possess tremendous udder quality, bred back well, and have great maternal instincts.

597 may not be the heaviest bull in the sale, but he is moderate, full of breed character, and made right. He is backed by a tremendous cow family. His coming four-year-old dam has caught AI all three years and combines a BR of 2/98 with a WR of 2/105. She is good-footed, possesses nearly perfect teat and udder design, and is extremely easy keeping. We thought enough of her to make her the youngest cow we have ever flushed here last fall. His great granddam by Charlo is easy fleshing, good uddered and good footed. She owns a BR of 8/95, a WR of 6/101, and a CI of 8/369. His great great granddam was a Pathfinder Nationwide x Right Time with a BR of 9/98 and a WR of 9/105 and stayed in the herd until 11 years old. 597 has top 5% Teat and top 4% Udder EPD's. ¾ to lot 33.

SAT Miss Wix 250 • Dam of Lot 32

Thank you, Logan McMahan, for your dedication to Talkington Angus Ranch. We appreciate all your time and hard work.

One of my favorite low birth weight bulls. He is smooth made, yet stout with ample muscle expression, and exhibits tremendous breed character. He spreads out a 69 lb. birth weight to a 726 lb. 205-day weight for a ratio of 112. He has the great Mabel cow family behind him, beginning with his beautiful young dam who combines fleshing ability, a perfect udder, and excellent hoof structure. She has caught AI each year and combines a BR of 2/88 with a WR of 2/109. His Tahoe granddam has a WR of 5/114, has caught AI 4 out of 5 years for a CI of 5/362, and entered our donor program last fall. His great granddam by Motive has caught AI 6 out of 7 years and has 3 daughters retained in herd. His great great granddam by Gridmaker was a donor for us. She was powerful, easy-fleshing, and had perfect feet until she left the herd at the age of 13, with a CI of 11/365. His great great great granddam was RR Mabel 4440, our foundation Mabel with a WR of 6/110 and a YR of 6/110. Lot 39 ranks in the top 2% of the breed for Teat, Angle, and \$M. He is our top RE bull ranking in the top 10% of the breed. He also ranks in the top 10% for claw, and top 4% for \$W.

reference sire

## SAT BRAVO 063

Reg # 198761144

Coleman Bravo 6313 x Ellingson Versatile

Bravo 063 was the Lot 1, lead-off bull in our 2021 sale. When we saw 063 as a 4-year-old at World West Sire Services, we knew we had to use him back into our herd. He possessed impeccable foot quality, abundant muscle shape for a calving ease bull, and we knew the tremendous cow family backing him. His Pathfinder dam owns a BR of 6/92, WR 6/110, and a YR 5/107. Her sons have been our 2nd high seller in 2021, 3rd high seller in 2023, and 2nd high seller in 2024. Her only daughter boasts a WR of 3/111. 063 stems from our highly influential Mabel cow family.

**E&B ESSENTIAL**  
 Reg # 20128935  
 Deer Valley Growth Fund x Sitz Dash 10277

Essential is a bull we bought with ST Genetics. Essential is moderate in his frame, possesses incredible structure and design, and we appreciate his foot quality, mobility, and disposition. His standout dam is admired for her femininity, structural integrity, and udder quality. His progeny are extremely uniform, moderately made with tremendous breed character. He has exceeded our expectations as a sure bet calving ease bull, with a ratio of 94 for birth weight on his first 130 progeny. Essential's first daughters calved last spring. They were exactly what we envisioned, moderate, easy fleshing, gentle to be around, and bred back well. The Essential sire group has been very well accepted and was our high selling sire group in 2025.

This powerfully constructed bull is a tank. I think you'll find him on sale day. He is deep ribbed, thick topped, and loaded with muscle, and he did all this with a 74 lb. birth weight. He also has some great cows behind him. His soon to be Pathfinder dam has a BR of 3/97 and a WR of 3/106. His granddam has a BR of 6/98 and a WR of 6/103, she was the dam of our popular lot 2 bull in last year's sale. His great granddam has a WR of 7/105. 547 owns the top YW EPD in the sale and he ranks in the top 10% of the breed for both WW and YW. ¾ to lot 55.

**MONTANA KLONDIKE 2212**

Reg # 20412812  
 Sitz Logo 8148 x S A V Resource 1441

Klondike was our selection at the 2023 Montana Ranch sale. He is stout made with an impressive hip and a real herd sire look in a moderate package. His sire Logo 8148 is an outcross source of low birthweight and high growth genetics. His dam, Coleman Donna 505, is powerfully built, yet feminine with a picture-perfect udder. Klondike's first calf crop solidified him as a can't miss calving ease bull with a BR of 96 on 38 registered calves. We also used him on all of our commercial heifers with great calving-ease results. His first calf crop is very uniform with a consistent look. They are moderate in their frame, stout made for their level of calving ease and loaded with breed character.

The Authority daughters possess exceptional udder quality and the cross with Klondike on Authority daughters seemed to work quite well. This can't miss calving ease bull has a BR of 86 and an actual birth weight of 66 lbs. His 10-year-old granddam has caught AI 7 out of 8 years. She is the dam of lot 8. She has a BR of 8/92 and a WR of 5/102. His great granddam by BAR EXT stayed until 11 years old with a CI 9/365 and a BR of 9/94. His great great granddam was RR Mabel 4440, our foundation Mabel with a WR of 6/110 and a YR of 6/110. 526 ranks in the top 10% for FL, Claw, and \$M. ¾ brother to lots 51 and 52.

# DVAuction

Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service! Buying online is as easy as 1, 2, 3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you when you are approved.
3. Tune in for the sale and make your purchases!

After the sale, contact Shane to arrange transportation and payment. High speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding:** If you can't make time to watch the sale, register a proxy bid and DVAuction represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. They'll handle the rest!

**Having troubles?** During the auction, you can type a message to the operator at any time for assistance. DVAuction support can always be reached at (402) 474-5557.
